This letter advises you that the motor vehicle referenced above, which is collateral under the referenced contract, was repossessed on 11/15/2005. We have accelerated the unpaid balance of the contract.

After 10:00 AM o'clock 11:00 AM on 11/16/2005, or any time thereafter from time to time until sold, the vehicle referenced above may be sold at private sale. The referenced collateral is being held to secure the obligation arising under the motor vehicle installment contract you signed and the security agreement included therein.

If you pay your account in full prior to the above-mentioned date of sale, we will release the vehicle and the Certificate of Title to you.

If the referenced vehicle is sold, the proceeds will be applied to your account. If the proceeds are insufficient to cover the balance owed us, we will hold you responsible for the deficiency. We will pay you the amount of any surplus. You may contact us between the hours of 10:00 AM and 6:00 PM as indicated below, with further questions.
