Manager Mr. Ron Johnson

Dear Customer,

Although the minimum payment required for renewal of your loan is stated in this notice, we would like to suggest that it would be in your best interest to pay the current fee, interest due and as large of a reduction of principal you can afford. This may save you money. If you choose not to pay the fee, interest or any principal reduction due on your 1st or 2nd renewal, you will need to pay all interest and fees due plus a minimum of 5% on the principal balance on or prior to your 3rd renewal. If you have any questions please call our office at the number above. We appreciate your business.
