Reminder to Borrower Statement

I, The undersigned borrower(s) have read this document and understand that this loan is offered at very high interest rate. Alpha Omega Consulting Group, asks all borrower(s) to seek alternative sources of financing if at all possible. A repayment plan can be offered to assist you in repaying this loan in a timely manner. If you have no other source(s) to use for financing please pay as much as possible up and above the monthly interest payment due each month. This is a 30 day loan as long as the finance charges are paid at that time. All our loans need to be paid every 30 days from the date of the last payment. A complete minimum due payment is required every 30 days to allow the customer to renew the loan for another 30 days. Alpha Omega Consulting Group will go over the contract and disclosure form with all borrowers to their complete satisfaction.

If you are obtaining this loan because of problems with your credit history, you may wish to obtain credit counseling or financial advice. Sources for that help include several non-profit companies (you may find them listed under the Credit & Debt Counseling in the yellow pages).
